In C.O. d. 3.6.60, Govt released 25 acres in coupe no. XXXIII-3 of Gundoor, Taluka Hungund for cultivation in favour of Sri Gaibsab Rajasab Mulla and 2 others. The proposal now is to grant 3 acres from Coupe no XXXIII-4, as the area in coupe no XXXIII-3 is only 22 acres. In my opinion the proposal need not be considered for the reason that Govt was in the first instance not inclined to grant the land at all and later have released the land because of certain circumstances explained in the C.O. If the plot contains only 22 acres, the petitioners should be satisfied with the available area. The Dept should need not lose any addl. area from a neighbouring coupe for orders
